- 1x User Manual

IDEAL FOR CAMPING & 4X4 ADVENTURES

Get off the grid and enjoy the great outdoors while keeping your essential gear powered & charged. Thanks to the 220V South African plug and two DC ports, you can power various lightbulbs, your phone, camera and other small electronics with ease.

POWER UP THE HOUSEHOLD ESSENTIALS

With two USB ports including one USB 3.0 Quick Charge port and a PD port, this portable power station is ideal in the event of a power outage or loadshedding. Power up essential household devices such as your router, notebook and other small appliances.
